

## CEO's MESSAGE

### Our glittering accomplishments in the year of 2021

Welcome to the December 2021 issue of the newsletter from Society for Nursing Practices. Have a glance of SFNP achievements that we made battling the Covid-19 pandemic. 2020 delivered SFNP many unforgettable moments to mark our era towards accomplishing our mission and vision. We are passionate about providing Nursing academicians and research scholars with an inspiring global platform to learn, gain knowledge, share research ideas where they feel respected, able to thrive and be a successful Nurse researcher. As a leading global source for scientific information with 25K+ members, SFNP promotes Nursing and Healthcare, research and innovation through its journals, magazines and proceedings of Several Global and International conferences every year. SFNP supports the professional growth of our members by providing opportunities for professional networking, life-long learning and career development, research assistance & guidance, publishing their research works in reputed journals. Our members & associates together made a few milestones achieved through our R&D activities in nook & corners of the world. With the interest of our members, SFNP recognizes its ethical behaviour and Integrity responsibility. SFNP would always show responsibility towards a commitment to innovation and excellence, commitment to sustainability and perseverance in delivering better work towards the society

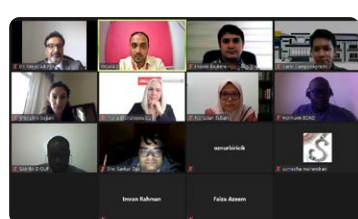

**Mr. Rudra Bhanu Satpathy**  
CEO, SFNP  
A Unit of Technoarete Group
